

# 5<sup>th</sup> Principle

## ...and specialised services

### Support for international companies:

An original concept of multicultural teams to assist the French subsidiaries of foreign groups:

- Reporting
- Aid in implementing decisions
- Accounting, tax and social security obligations
- Administrative support
- ...

Ongoing relations with international chambers of commerce, banks and lawyers in Paris. Specialist partners (market research, recruitment, relocation, etc.).

The PKF International network active in 120 countries.

### Corporate Finance:

Proven technical experience and a network of partners consisting of recognised investors or consultants, to provide you with support on:

- Start-up assistance, financing growth
- IPO
- External growth
- Disposal of a business or group

### Troubleshooting:

Thorough knowledge of legal procedures and the role and expectations of all parties concerned, to assist you in taking the necessary measures:

- Prevention and support during turnaround
- Expert advice or assistance in managing companies under insolvency proceedings
- Litigation support, arbitration
